This is the Windswept, a publication of the Shire of Windkeep, of the Kingdom of the Outlands of the Society for Creative Anachronism, Inc. (SCA). The Windswept Is NOT and official publication of the SCA, Inc., and as such does not delineate SCA, Inc. policy. The Windswept is available in care of the Chronicler. No actual officers were harmed in the publication of this issue since none sent reports.

Greetings, in this issue we are reviewing, refreshing or even... (*insert gasp*) learning something of SCA history and geography. On the front cover are 9 devices from within the Kingdom of the Outlands. Can you put the right name with each device?:

HINT - - The list should include 1 Canton, 2 Colleges, 4 Shires and 2 Baronies...

a. _____ b. _____ c. _____

d. _____ e. _____ f. _____

g. _____ h. _____ i. _____

Also, as you may, or may not know, there are now sixteen Kingdoms in the S.C. of A. The listing in alphabetical order is :

An Tir, Ansteorra, Artemisia, Atenveldt, Atlantia, Æthelmearc, Caid, Calontir, Drachenwald, Ealdormere, East, Middle, Meridies, Outlands, Trimaris and West.

Can you list the Kingdoms by date of Creation? The West was first back on May 1st in 1966 [A.S.* I], with Ealdormere being the latest on Oct. 1998 [A.S. XXXIII]. The Outlands, by the way, is the 12th Kingdom created in the S.C.A. back in June 1986 [A.S. XXI].

* A.S. *Anno Societatis* -- "in the year of our Society". For a SCAdian vs. Mundane calendar point your web browser of choice to:

All answers will be printed in next month's issue. However, if you have troubles waiting you can either research it out online or email me for the answers at dwpeters@19sixty9.com .
